WEST NYACK SWIM & TENNIS CLUB

Board of Directors

Message

Dear West Nyack Swim & Tennis Club Families,

Welcome to another great year at the West Nyack Swim & Tennis Club. We'd like to take this time to provide you with an update of progress made to the club during the off-season.

As always, remember - we are all equal owners of the WNSC. We continually look for volunteers to support the various Board of Directors committees and events hosted at the club. Please volunteer!

Ask a board member or submit a note on our NEW website that you would like to help!

Looking forward to another great season!

Buildings & Grounds -

During the off season there have been some updates to the club. We have been able to update the bathrooms, purchase new picnic tables, new chairs & 4ft grills for WNSC parties and also upgrade & re-wire electrical on the entire grounds. There has also been major tree/limb work to clean up a rough winter.

Swim Team-

So happy to say that our Head Coach Theo will be returning to our team along with some fabulous new coaches as well.

* **Sign-ups and Team Suit purchases**
